

"I can't wait until July"

theme movie song- The Wedding Bouquet"

You have been avoiding me  
And your friends tell me  
You don't want to see me

They say your talking to  
Someone else, someone younger

Our words got lost in the flood  
Our love just lingers in the sky  
And I can't wait until July  
Don't reply, I have a new guy

You stole my heart  
Ripped me apart  
And kissed me good-bye

A fool for You  
Who knew it was  
Nothing more than a pursue

Our love just lingers in the sky  
How high must I fly  
To feel you come back and  
Say hi

And I can't wait until July  
Don't reply, I have a new guy

How am I supposed to move on  
When you won't let me go on

You say you miss my voice  
But you have no choice

I'm not waiting around  
It's too late to turn around

Cause I can't wait until July  
Don't Reply, I have a new guy
